

NYU Investment Law Forum

Due to unforeseen conflicts in participant's schedules, the next session of the NYU Investment Law Forum, scheduled for April 19, 2010, has been postponed until the Fall semester. Details of this future session will be announced by email and on the Investment Law Forum webpage as soon as they become available.

We would like to thank all the participants and attendees of the prior forum sessions for supporting the ILF's first semester and making it a success. We look forward to continuing the forum sessions in the near future.
